

IF YOU ARE PREGNANT Booklet

Notice to Readers

April 3, 2013

Effectively immediately, please note the following corrections to the booklet, IF YOU ARE PREGNANT.

Corrections on the inside front page:

Pursuant to Nebraska law (Neb. Rev. Stat. 28-327.01) this information is made available to you.

If you need more information or have questions please visit with your doctor.

You may call this toll-free number, **1-888-862-1889, the Healthy Mothers Healthy Babies Helpline**, for information about assistance through pregnancy, childbirth, and the first years of life. Information about adoption and about services for prevention of unintended pregnancy is also available at this number. You may also use the Nebraska Resource and Referral System on the internet at:
<https://nrrs.ne.gov/usersearch>.

Corrections on page 32:

Contact DHHS toll free at **1-800-801-1122** if you have additional questions or wish to request copies of this booklet.
